The Alberni District Hockey Canada Skills Academy provides essential skill development for our young hockey talent. The City of Port Alberni is proud to make the Alberni Valley Multiplex, a first class facility, available to the Academy.

The City's partnership with School District # 70 enables the Multiplex facility to be used for the Academy's exceptional instruction which serves to expand the ability and foundation of our youth. The Academy has attracted a great deal of interest and provides yet another incredible educational opportunity within our community to young people looking to expand their hockey skills at the same time developing the necessary disciplinary skills which will enrich all aspects of their lives.

We look forward to the continued success of the Alberni District Hockey Canada Skills Academy.

Mayor Ken McRae
